

Parents Information

Many thanks for taking the time to book your child onto theASCENT discipleship process. We would like to highlight some key elements of the process for your reference.

Please note that the process being run in partnership with St Elizabeth of Portugal, Richmond at Worth is for those in the Diocese of Arundel & Brighton only and those invited by St Elizabeth's, theASCENT Brentwood and Cumbria is open to anyone around the country.

PAYMENT

theASCENT is fantastic value for money, offering a unique experience of discipleship for young people in the UK. The full cost of one year for each participant amounts to £375. If you are able to contribute 100% of this cost, your generosity would be most appreciated. If you are not able to do so, we suggest finding two benefactors to give £10 a month to support your subsidise your payment or seeking funding from your parish in the first instance. This can be done by simply directing people to the donation section of our website and informing us of the name of the payee so we can credit it to your payment record. If neither of the above are possible, we have a limited bursary fund available on request. If you would like to access this, please contact admin@theascentuk.co.uk stating your reasons for this request.

Details of how to pay and monthly breakdowns can be found on the 'standing order & deposit' form.

A few more notes about costs:

- This annual cost covers all food, accommodation, mentoring, PoDs and resources.
- Payments are to be made via our website payment platform – either up front for each year or via monthly payments which will need to start as soon as you make your booking. These will continue all the way through the process (30 monthly payments) unless your child chooses to opt out of the next year at which point the subscription will be stopped at the appropriate point.
- A full refund for cancellation is available up until a month before the first weekend in October. After this point a refund is not guaranteed unless the place is filled with another participant. If the place cannot be filled, full payment for the first year will be required.
- Unfortunately, payment is non-refundable if you miss a weekend during the year.

ATTENDANCE

As we have a limited number of places available for each cohort which are heavily oversubscribed, it is vital that each participant attends as much of the process as possible and does not take it for granted. A minimum requirement of attendance at all three weekends is asked. In regard to weekly PoD sessions we understand that every now and again there might be something that clashes with the PoD night, and if this is the case we ask that out of courtesy the participant lets their leader know in advance. However, please note that PoD is not an optional part of the process and 75% attendance is required to progress to the following year of the process.

Continued overleaf...

ATTENDANCE CONTINUED...

Please also note that this is a three year process and although we accept not all will be able to carry out the whole process we encourage the participants to recommit after each year until the 3 year process is complete, particularly in light of the demand for places at the beginning of the process.

The dates for the following year are:

<u>Weekends</u>	<u>Connect Days</u>	<u>PoD Sessions (Mondays 19:30 - 20:30)</u>
22nd - 24th Oct 2021	12th Dec 2021	25th Oct - 20th Dec 2021
18th - 20th Feb 2022	24th Apr 2022	10th Jan - 1st Apr 2022
15th - 17th July 2022	4th Sept 2022	25th Apr - 15th Jul 2022

ONLINE SAFEGUARDING PROCEDURES

We take safeguarding very seriously, especially online, and our full safeguarding policy can be obtained on request. Having read the following key points, we ask that you sign your agreement on the parental consent form:

- Individual team members will not make contact with young people privately, except where specifically arranged with the young person's parent/guardian in advance (for example as part of a mentoring arrangement). If any other personal contact is required, this will be made with accountability by copying in our Safeguarding Officer using the address safeguarding@theascentuk.co.uk.
- 1-to-1 mentoring between young people and team members will take place only with express consent of parents/guardians during the last PoD session of the month. While theASCENT respects the privacy of these mentoring sessions – and indeed all sessions – we do not promise absolute confidentiality. This ensures we are able to deal appropriately with any safeguarding concerns either raised during, or regarding, any of our sessions.
- Online small groups (Pockets of Disciples, PoD) gather through a Zoom video conference each week. This is to take place at 7.30pm on a MONDAY night for 1 hour. These sessions are not to continue beyond 8.45pm as this increases parental availability and transparency, as well as respects the needs of the young people to sleep sufficiently.
- Team should ensure all present during video conferences are comfortable and respected. Any excluding or bullying behaviour is to be prevented where possible, and acted on if it presents itself. All should be dressed modestly. Any young person or team member who is not dressed or behaving appropriately should be removed from the video conference to address the issue.
- Any concerns regarding the welfare of young people that arise during a video conference or any other electronic communication should be acted on in accord with the relevant guidelines for safeguarding. If a team member is in doubt they must contact our dedicated Safeguarding Officer (safeguarding@theascentuk.co.uk) for advice.
- In the event that only one team member is available, recordings may be made of online sessions and used only for the purposes of verifying what happened during those sessions should any complaints or questions arise. Recordings will be kept for the duration of the process or for a year after the event, whichever is longer.

LOCATION

We are delighted to be able to host theASCENT at Worth Abbey, a Benedictine Monastery in West Sussex. Worth is home to a community of around twenty monks, and hosts numerous residential programmes, for both adults and young people, throughout the year.

FOOD AND ACCOMMODATION

theASCENT will take place in the retreat houses of 'the open cloister' - modern, comfortable facilities with well maintained rooms, and plenty of shower and toilet facilities. Rooms will be shared among members of the same sex. All meals will be provided on site.

FINDING WORTH ABBEY

Worth Abbey is on Paddockhurst Road, in the village of Turners Hill. The address for your SatNav is RH104SB, and it's roughly five minutes from junction 10A on the M23. Note, however, that Junction 10A is only accessible from the Southbound carriageway. Please enter the site by the monastery entrance, and not the school entrance. The nearest train station is Three Bridges. A taxi from Three Bridges costs between £10-£15 depending on the time of day. We are unfortunately unable to provide lifts to or from the station, but we suggest arranging to share lifts or taxis between participants.

ACCESSIBILITY AND SPECIAL REQUIREMENTS

Please contact us if your child has any particular needs which you feel we should be made aware of.

SAFETY AND SECURITY

There will always be a First Aider available during our courses. We also follow a stringent set of safeguarding procedures and make sure that all of our team have up to date CRB/DBS clearances.

SOME SPECIFIC SITE REGULATIONS:

1. Strictly no alcohol, drugs or drug paraphernalia on site - except for medical purposes.
2. No mixed sex accommodation on site except in the case of married couples.
3. Smoking is not permitted on site.
4. Neither Worth Abbey nor theASCENT can be held responsible for loss or damage to persons or personal property.

POINTS OF CONTACT

If you need to get in touch with one of the team during the retreat, please call 01342 710318 or email richmondyoung@rcaos.org.uk.
